FRENCH WINE DISCOVERIES

BONJOUR !

Wine 4 Trade would like to welcome you to the Regent Warsaw Hotel for our 10th French Wine Trade Fair in Warsaw !

We invite you now to discover our selection of great wines, produced by both family and larger companies; we hope you will enjoy tasting this comprehensive range of quality French wines.

Our company has 30 years' experience in the Wine & Spirits business and our knowledge of the needs and expectations of both the buyers and producers is second to none.

As well as organising professional wine events, our global network means we provide marketing and communication services on a regular basis for many international drinks producers.

Featured at our event today are:

- French winemakers – family estates, co-ops and negociants
- Wines from all over France with various styles and prices
- Clear descriptions that we hope will answer any questions you may have relating to distribution, volume, organic and biodynamic winemaking
- The prices have been adapted to meet the needs of the individual market

We hope you enjoy today's tasting and that you find something to meet your business requirements.

Bonne dégustation !
